BB "DORA-Z". Foundation hen

♂ **AU 86 MTZ 2399**

Bred by Zazueta. Won

♀ **AU 86 MTZ 2377**

Blue. Superior breeder for

The Walt Disney award is perhaps the most difficult of any in North America to win. To qualify, a fancier must finish in the top 10% in EVERY old bird race and in the top 20% in EVERY young bird race in a given year. No races can be thrown out, every race is counted. In the history of California pigeon racing there have only been a handful of multiple winners, one fancier has won it three times, in 30 years of trying. Armand Zazueta won 9 Walt Disney awards in TEN years! This feat is mind boggling considering how difficult it is just to qualify. The Zazueta loft also was named 1st North America Ace Loft 3 times and was 2nd once. He has won Big All America, along with 9 California State Hall of Fame wins, over 200 average speed awards and hundreds upon hundreds of 1sts in his illustrious career. We purchased the entire loft of birds from Armand in 2001, breeders, racers, young birds, even spare stock birds. They are an outstanding 300 to 500 mile family, and they cross exceptionally well with other families to produce good young bird racers.
