DEISHER 571-2009 Comments:

WHITEROCK'S DREAM - From my linebred family of TOPOs, she was flown by Paul Johnson of Whiterock Loft in South Carolina in the 2009 Dixie Southern Convention Race placing 8th where there were only 8 day birds and only 20 birds back after 3 days!! Very tough race for a very tough bird!!

Breeding from 100% Ganus Family Bloodlines
