

## **TO ALL OUR FELLOW PIGEON FLYERS:**

The Denton Invitational Racing Pigeon Club in conjunction with the Rodeo City Racing Pigeon Club invites you to the Fort Worth area for the 2010 Texas Center Convention. The Rodeo City Club is already preparing to host one of the best conventions this state has ever seen.

In order to make this the most successful convention in history several new ideas have been turned into reality. The Denton Club is planning a super Texas style lunch on Thursday at the Denton Club house. There will be buses to transport you north of Fort Worth on Thursday morning. The attendees will get to view one of the most successful one loft racing facilities in the entire United States. There's more!!!!

The Denton Club will also be hosting a **Thursday** race. This race is separate from the famous convention races on Friday. Rodeo City decided that most folks that race pigeons, which come to the convention, want to be involved in two days of racing not just one. Yes this is a first, and we will be part of a tradition that is sure to continue for many years to come. The Denton Club has allotted space for 300 birds in the Gusher/ Showdown one lofts racing loft.

There is an informational packet\* enclosed on all the races held at the Denton Club One Loft facility. The Rodeo City Club and the Denton Invitational Racing Pigeon Club look forward to making this the largest and most entertaining convention in Texas Center history. We look forward to seeing you and your family.

Thanks,

Butch Shoop President of the Denton Racing Pigeon Club

\*\*\* Enclosed is the new format for the Texas Showdown Race. This race is set up as a working man's one loft race. Fly it yourself, get a partner or form a syndicate, this is your chance to test your birds against some of the best flyers in the country.
